Meet the liver!

Tour our giant inflatable liver and learn about liver health.

MASH ACROSS AMERICA

It's time to focus on **your liver**

Through MASH Across America, we're going **across the country** to spark new conversations about the **critical role the liver plays in our overall health** and shine a light on a disease many people don't see coming: **MASH**.

MASH = metabolic dysfunction-associated steatohepatitis

DATE:
Wednesday, October 7, 2026
